FROM THE DESK OF CMDE (ESM AFFAIRS) DESK

1. It gives us immense pleasure to bring out another edition of the quarterly e-newsletter for benefit of naval veterans, NoK/ widows and their dependents.
2. The current situation due to COVID-19, has put severe restrictions on all personnel. However, we at DESA are doing our best to address all issues of our ESM with same vigour and standard timelines despite limitations imposed by the pandemic.
3. Welfare of ESM has been accorded high priority by the Navy and continued efforts are being made to resolve the issues being faced by the ESMs or their NoK/ dependents. Organisations are working to improve/ upgrade various schemes being run for them. We request our veterans to continuously update themselves through DESA and INPA websites and remain plugged in to get the latest updates.
4. We sincerely hope that the information brought out through this e-newsletter provides valuable inputs for the veterans not only to remain updated with the developments but also to remain well connected with the Navy.

Best wishes and warm regards,
