Issues for Consideration

12. **Membership – Navy Foundation and Veteran Sailors’ Forum.** Navy Foundation and Veteran Sailors’ Forum meetings cover a large number of issues. In addition to the ESM, a large number of senior serving officers attend these meeting to resolve the issues being faced by ESM. These meetings, therefore, serve as an important link and channel of communication between the retired and the serving. During the 11th VSF GCM it was decided to increase the membership of VSF Members. It is, therefore, requested non-member naval ESM become members of the VSF as also that of NF.

13. **Dissemination of Information through WhatsApp.** All the retirees post Oct 17 are automatically members of VSF. They have been clubbed into VSF groups on WhatsApp. All important information wrt ESM including various job opportunities are being regularly disseminated through these WhatsApp groups as also through DESA and INPA websites. Personnel who are not added into any of the VSF groups may contact us on 011-21410473.

14. **Documentation for Pension.** A large number of cases are received at DESA, wherein post the demise of the ESM, widows find it difficult to get the pension. The reason could be as simple as mismatch of name/ date of birth in PPO and PAN card or even sometimes the name is not included in the PPO. Same is the case for eligible

NAVY CARES FOR ITS ESM

children. All ESM are requested to check for the following, and take corrective action, if required :-

- (a) Name of spouse is included in PPO along with her date of birth.
- (b) Name and Date of Birth of spouse in PPO is same as that in PAN and Aadhar card.
- (c) Pension account is a joint account between pensioner and spouse.
- (d) Dependent Identity card for spouse and dependents is made from respective Zila Sainik Board.
- (e) Particulars of children are updated in record office.
- (f) Maintain a file with all important documents and ensure that spouse/ family members are aware of its location and particulars.

Check off lists and forms for various contingencies are available on DESA website.

Despite existing instructions/ orders, various grievances with regard to non-stoppage of FMA even after issuance of “Non Payment Certificate” and lump sum recovery thereof by PDAs are being received from Pre 01 Apr 2003 retiree (ECHS members). Therefore, all Pre 01 Apr 2003 retirees (ECHS members) who have been getting FMA even after issuance of “Non Payment Certificate” will not be denied their new ECHS Smart Card as well as medical treatment at ECHS facilities. (**Auth:- Central Organisation, ECHS letter B/49701-PR/AG/ECHS dated 23 Feb 22**)

31. **Advisory.** All ESM are requested to apply for 64 KB Cards as early as possible to avail ECHS benefits. While filling up online ECHS application, common errors observed are tabulated below. The same may be avoided so as to obviate delays in verification and subsequent issue of Cards.

Se r	Common Error	Remarks
(a)	DOB entered online for ECHS Cards does not match records held at DOP / CABS.	If the Date of Birth is entered wrongly while filling up application, the same can be corrected using the edit application online.
(b)	Service number entered online for ECHS Cards does not match records held at DOP/ CABS.	Make sure the service number entered is correct and the appropriate suffix is entered in the suffix column. Caution:- The prefix box is to be left blank by all Naval Personnel while registering on online ECHS website

Se r	Common Error	Remarks
		www.echs.gov.in .
(c)	Name entered online for ECHS Cards does not match records held at DOP/ CABS.	Please keep in mind while filling up online application, make sure the correct name (as entered in Discharge book) is entered.
(d)	Scanned documents are not clear.	Please upload clear copy of documents like PPO, Death Certificate, PWD Certificate, DPDO Certificate (preferable size of all scanned documents are not more than 100KB for smooth uploading in online ECHS application)
(e)	Photographs unclear or not with plain white background.	Make sure passport size photo should have a plain white background (No print/design).
(f)	Certificate as prescribed by PWD Act 2016 not attached.	Personnel with disability (PWD) are advised to upload a disability certificate as per ECHS guidelines Appendix C of PWD Act 2016.

32. **Verification Process.** Verification of applications of ESM is carried out by Record Offices (DOP (OA&R) and NAVPEN). The Record Office matches the details furnished by the applicant in the ECHS application with the details held in personal service record. If all details match, the application is further forwarded for printing and dispatch of cards. However, a considerable delay is experienced by the ESM in receipt of cards and there is multiple to and fro movement of application from Record Offices and the applicant, view mismatch in the details furnished and records held. It is advised that ESM may keep regular track of their application (either on echs.gov.in or ECHS Beneficiaries mobile application) and liquidate all observations (if any) in one go as soon as possible. This will substantially reduce turnaround time for verification of application.

33. **Use of Gmail/ Yahoo Accounts by Govt Officials & gov.in or nic.in Domains for Govt Websites.** The usage of e-mail IDs from private domain increase the virus/ cyber-attack susceptibility manifold. Furthermore, the usage of email IDs by various Polyclinics other than the assigned IDs would also lead to a communication gap wherein the ECHS beneficiaries may be wishing to communicate to the Polyclinic through the official Email IDs. Keeping this in mind, all Regional Centres (RCs) have been asked to ensure that the e-mail IDs assigned to the various polyclinics are made operational at the earliest. (**Auth:** ECHS letter B/49722-IT/AG/ECHS/Ext Cyber Audit dated 03 Feb 22).

34. **Polyclinics to Remain Functional during Monthly Stock Taking.** ECHS Polyclinics will observe holidays/ can remain closed only on Sundays and Central Govt Gazetted holidays.

35. **Treatment under AYUSH.** Govt. has authorised treatment under AYUSH (Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy) for all ECHS

beneficiaries. Treatment in Govt. AYUSH hospitals is permitted on reimbursement basis at full rates, including the cost of prescribed medicines. For treatment under the scheme, prior permission of Oi/C of the Polyclinic or Director, Regional Centre or CO ECHS, for a particular disease is to be obtained. It may be noted that only one system of treatment is allowed at any point in time.

36. **ECHS Application for Android App.** ECHS has launched an Android based application for beneficiaries and this app is available on the Google Play Store for free download. Various facilities such as status of application, booking of appointment with the doctor, medical history of the patient, contacting the doctor in an emergency etc. have been made available in the application.

Pension Related Issues

52. **Background.** System for Pension Administration (Raksha) - SPARSH is a centralised pension disbursement system to all pensioners, implemented *wef* Jun 21 and Jul 21 for sailors and officers for current retirees respectively. The new system has a single point accountability of PCDA (Pen), Prayagraj as Pension Sanctioning Authority (PSA) and Pension Disbursement Authority (PDA), however there is no change otherwise as far as the pension account and bank/ branch of the pensioner is concerned. Bank account of the pensioner remains in the same bank and branch where pensioner was originally drawing his pension in legacy system.

53. **Present Status.** As per Gol directives to CGDA, migration for legacy pensioners commenced in phased manner for post 2016 pensioners since 31 Jan 22 under Phase I and all other legacy pensioners by Dec 22 under Phase II. The transition

of the data for legacy pensioners to SPARSH system is being ensured by PCDA (Pen) through mapping of 38 mandatory fields with the data available with banks from where pensioner is currently drawing his pension. Pensioners with matching fields are only migrated to SPARSH.

54. **Review by Defence Secretary.** Defence Secretary is conducting weekly review meeting on every Friday with FA (DS), JS (ESW), CDGA, PCDA (N), PCDA (Pen), Service HQs and M/s TCS reps to take stock of the progress made towards implementation of SPARSH for pensioners.

55. Since May 22, significant progress has been made by all stakeholders towards addressing issues of SPARSH in a collegiate manner as mentioned below:-

(a) **Joint Monitoring Committee.** As requested by Service HQs, a Joint Control Room has been set up in DAD HQs which will be operated by a Joint Monitoring Committee (JMC). The JMC is headed by Mr AN Das, Jt CGDA and has been tasked to centrally monitor and coordinate with the PCDA (Pen)/ TCS for quick resolution of various issues pertaining to SPARSH implementation as raised by stakeholders and any urgent issue coming up from time to time. Cdr Nikhil P John has been nominated from DPA as *IN* representative.

(b) **MoU with Common Service Centres (CSCs).** CGDA has concluded MoU with 3,75,000 CSCs stretched across length and breadth of the country. These will act as facilitators for updation of records including digital life certification of pension. CSCs are being trained accordingly and their weekly output and efficacy is being reviewed by Def Secy every Friday during the SPARSH meeting. Pensioners can approach the closest CSC for any assistance. In addition, a meeting was held with SBI and PNB management by CGDA on 02 Jun 22 to enable large number of their branches to do the work of CSCs, as the pensioner is comfortable with their banks.

(c) **Life Certificate through e- Pramaan.** Jeevan Pramaan is a biometric enabled digital service for pensioners. One of the pre-requisite for the pensioner, is to provide life certificate every Nov to the authorised pension disbursing agency. e- Pramaan application can be used by pensioners for hassle free generation of life certificate. The link is available on SPARSH portal.

(d) **Offline Updation of Mobile Number.** Without login into SPARSH module, pensioners can update his mobile number through SPARSH website.

(e) **Migration of Legacy Pensioners.** The Defence Secretary during the meetings has said that migration of pensioners of 6th CPC (Jan 2006 to Dec 2015) is to be carried out very cautiously. CGDA along with TCS have carried out an extensive analysis in which a total of 6.44 lakh pensioners of VI CPC have to be migrated. Accordingly, CGDA is going to run the rule engine on dummy server so as to check the output. Only after the satisfactory results, the migration of pensioners with no anomaly in data will be carried out. Notwithstanding the above, crediting of pension shall continue hitherto fore through the respective banks. The

NAVY FOR LIFE AND BEYOND

22

migration would be a painless and seamless exercise which will be carried out in the backend by the SPARSH team. Primarily, it is digitisation of the manual records of each pensioner which is held by respective PCDA's.

(f) **Outreach Programme.** The initial phase of implementation of SPARSH was not handled diligently by CGDA and TCS which caused lot of trauma to a large number of pensioners who were denied the pensions because of Non Identification (NID) which was not anticipated by CGDA. Accordingly, a large number of steps have been taken by CGDA to enable smooth transition including conduct of various outreach programmes so that the pensioners are assured that there would be no stoppage of pension and the migration to SPARSH would be a backend activity without the intervention of the pensioners. *IN* has conducted its first outreach programme and Pension Adalat on 06 Jul 22 at Visakhapatnam and second is planned on 04 Aug 22 at Mumbai.

(g) **Generation of Form-16.** A module is developed by M/s TCS which has facilitated generation of Form-16 on SPARSH
