TWITTER HANDLE FOR IN VETERANS

1. In order to facilitate wider/ quicker dissemination of information as well as to establish a direct link with IN ESM, a twitter account '**Indian Navy Veterans (@NAVYESM)**', is being operated/ handled exclusively by DESA since May 21. This handle follows all the other official IN handles and handles of Agencies dealing with ESM issues and has been actively disseminating information almost real time.
2. All NF & VSF Chapters are therefore requested to spread the word and encourage maximum retired IN officers and sailors to follow IN Veterans Twitter handle **@NAVYESM** to enable faster dissemination of information. This will accrue benefit to the ESM community as they can remain abreast of the latest happenings as well as receive information related to ESM welfare, pension and Govt policy announcements.
